

Land cover elevation change 2016-2021: Kenmore

Kenmore City Limits

Elevation Change 2016-2021

Change in Feet

This map shows the elevation change between Digital Surface Models generated in 2016 and 2021. Areas in green indicate positive change and areas in red indicate negative change.

The elevation changes shown on this map show where development occurred throughout Kenmore. Most of the development involved construction of single family residences in the northeastern area of the city and mixed-use development in central Kenmore.
