

Land cover elevation change 2003-2016: Bothell

Location in King County

■ Bothell City Limits

Elevation Change 2003-2016

Change in feet

This map shows the elevation change between Digital Surface Models generated in 2003 and 2016. Areas in green indicate positive change and areas in red indicate negative change.

The elevation changes shown on this map show where development occurred throughout Bothell. Observed development consists of clearing of trees for development mostly in the southwest and the northeast and some mixed use development in central Bothell.
