Land cover elevation change 2016-2021: Bothell

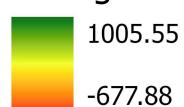

Location in King County

■ Bothell City Limits

Elevation Change 2016-2021

Change in Feet

This map shows the elevation change between Digital Surface Models generated in 2016 and 2021. Areas in green indicate positive change and areas in red indicate negative change.

The elevation changes shown on this map show where development occurred throughout Bothell. Observed development consists of new single-family development mostly in the southwest and the northwest and some mixed use development in central Bothell.
